

**Beacon Industries (Newington, CT)** is now hiring a **Cost Accountant** to join the Finance team, and support the estimating and costing side of the operation. The ideal candidate would have over 5 years of experience in accounting and/or financial analysis within an aerospace manufacturing company and a solid understanding of how to formulate costing formulas for services, resources, and products to help quantify resources consumed by our operation.

**POSITION SUMMARY:**

The **Cost Accountant** will analyze financial information, prepare financial reports and conduct studies which provide detailed cost information and reports as needed to run the company. This role will also make recommendations and proposals to the executive team enabling the company to identify areas in need of improvement in order to meet its financial obligations within budget.

**DUTIES & RESPONSIBILITIES:**

- Collect and analyze data to determine costs of business activities such as raw material purchases, outside process expenses, inventory costs, direct labor and associated overhead, overall job costing/quoting and gross margin.
- Analyzes actual manufacturing costs and prepares periodic reports comparing standard costs to actual production costs.
- Compiles cost information to be used in operating budget preparation
- Research and Analyzes quotes and variances (Standards vs Actuals)
- Analyzes financial information detailing assets, liabilities, and capital, and prepares Balance Sheet, Profit and Loss Statement, and other reports to summarize and interpret current and projected company financial position for the CEO and other Managers.
- Develop and Institute Cycle-Count System, assigning ownership of tasks
- Perform various audits on cost collection processes; prepares reports and makes recommendations.

**QUALIFICATIONS:**

- Bachelor's degree in Accounting or Finance Field
- +5 years of experience in a Manufacturing Environment. Aerospace Preferred.
- Strong experience with Job Costing & Cost Accounting within manufacturing environment.
- Working knowledge of GAAP, Microsoft Excel, Word, PowerPoint, Access, Project, and other Microsoft tools.
- Experience with Epicor Vantage ERP and/or VISUAL Manufacturing ERP a plus.

**BEACON EMPLOYEES ENJOY:**

- Career opportunities in Advanced Manufacturing
- Friendly & Professional Work Environment
- Strong Compensation Packages
- Lucrative Shift Differential Pay for 2nd shift
- Generous Paid Time Off & Paid Holidays
- Excellent Health Benefits Package
- Plus 401K & Tuition Reimbursement

If you're looking to join a company that can give you the opportunity to work with a team of skilled professionals, state of the art machinery, aerospace-grade materials, and cutting edge technology....look no further. Our production team and machinists manufacture some of the most complex parts in our industry, and now you have the opportunity to join our team!

For consideration, please send a copy of your resume to [HR@beacongp.com](mailto:HR@beacongp.com) and complete the application process.

**ABOUT US:**

Beacon Industries has built its reputations within the aerospace industry for being a world class manufacturer of major rotating components, supporting turbine-engine OEM companies around the world. We manufacture and supply our customers with the most complex components, built to their exacting standards, by some of the most experienced people in the aerospace manufacturing industry - and this is the main reason for our continued success.

For over 65 years, our customers have trusted Beacon to manufacture their products. This trust and responsibility has been earned over the years by supplying quality parts, on time, and within budget. Beacon is able to provide this level of service due to its unique capacity in Broaching, Grinding, CNC turning, and (5 axis) milling supporting the manufacturing of small and large parts alike. We have an array of supporting services in-house which include Design, Programming, and Quality Engineering support.

In addition to and in support of our these resources, Beacon has a full complement of precision machinery and conventional equipment paired with an wide selection of in-house services which include CMM, FPI & MPI NDT Inspection, Spin Balance Testing, Shot-Peening, and much more!

Beacon Industries is a privately held, woman-owned company, and is a US DOD classified small business with NADCAP, ISO9001-2008 and AS9100C certifications.

Beacon Industries offers competitive wages and benefit packages plus 401K, tuition reimbursement, and second shift differential pay.

Beacon Industries is an Equal Opportunity Affirmative Action Employer. EOE M/F/D/V

Only those who meet the minimum qualifications will be contacted for an interview.
